

Febr - March Classes

Locker Hook

\$25.00

Instructor: Cheryl Murdock

February 23, Wednesday

10 am - 12 pm

Learn the age-old craft of locker hooking in this hands-on class. Using 1" strips of fabric, locker hook/rug backing and a locker hook (looks like a crochet hook, but with an eye) you will learn the basics while creating a small project. A portable craft that does not need a sewing machine and can be worked on most anywhere. Bring a small pair of scissors to class.

Fabric Wrapped Basket

\$25.00

Instructor: Jeanne Chandler

March 8, Tuesday

10 am - 12 pm

You will never look at clothes line rope again without thinking what you can make out of it. These easy to make baskets sell for several dollars at boutique specialty stores. We will have several colors of 1" strips of precut fabric available, but bring your own if you have a color preference. Besides your sewing machine and basic sewing supplies* you will need to bring a package of COTTON clothes line rope. Make sure it is not plastic or has a plastic core. You can find a 100 foot package of clothesline (enough for several small projects) at Wal-Mart for less than \$3.00. Please also bring a "Denim" sewing machine needle.

Stack -N- Whack

\$50.00 + materials

Instructor: Gail Gentzel

March 23, Wednesday

6 Hour Class - Bring Your Lunch!

Be sure to stop in and see this amazing wall hanging. Our instructor, Gail Gentzel, is a textile and fine arts major with emphasis on color theory. She has been teaching quilting for a number of years and is active in the Gulf Breeze Quilt Guild. She has become known as the maker of "WOW" quilts and has her own "fan club" know as Gail's Groupies! Sign up early for this one!

QUILLOW

\$25.00 + materials

Instructor:

Linda Walters

March 24, Thursday

6 Hour Class

Bring Your Lunch!

(Receive a 15% discount on class materials).

What a great idea - a small lap quilt that folds up and when tucked into its own pocket, forms a pillow. Perfect for taking along to the beach, ball game, or camping. Make one for yourself and everyone that sees it will want one. Your dog or cat will even want one of their own! Besides your sewing machine, and basic sewing supplies*, you will need: 2 1/2 yards of fabric #1; 2 1/2 yards of fabric #2 (total of 5 yards), thread to match and 2 1/2 yards of batting.

COMING UP - CLASS DATES TO BE SET SOON
