

FLOATING SQUARES

Designed, pieced, and quilted by Ben Marshall (AKA @TheCheekyQuilter)

Finished size 54"x54"

Fabric Requirements:

1½ yards Moda Grunge Black Dress

1½ yards Moda Gradients, Reds Pinks

3 yards backing fabric

5/8 yard binding fabric

Tools:

Martelli 6" Half-Square Triangle Template

Directions:

1. With fabric right sides together, cut and mark 42 half-square triangle sets.
2. Stitch along all marked lines.
3. Cut each set in half and press open to create two half-square triangle units. You should have a total of 82 HST units.
4. Sort your HST units into two piles, light and dark.
5. Sort each of those piles again into light and dark.
6. You now have four piles to choose from to create contrast as you lay the quilt out.
7. Following the graphic on the next page, sew the quilt together in either rows or columns, pressing seams to nest. You will have one HST unit leftover.
8. Quilt and bind as desired.
